Kelso Villa, Upper Bristol Road, Bath BA1 3AU

Schedule of areas: Grade II listed office building, four storeys (lower ground to second floor)

Floor	NIA m²	NIA sq ft	GIA m²	GIA sq ft	Ceiling height
Lower Ground Floor	42.8	461	60.9	656	2.38 m
Ground Floor	48.6	523	64.4	693	3.12 m
First Floor	47.9	516	63.8	687	2.95 m
Second Floor	38.3	412	59.1	636	2.61 m
Total (all floors)	**177.6**	**1,912**	**248.2**	**2,672**	

Basis of measurement. Measured in accordance with the RICS Code of Measuring Practice (6th edition). Net Internal Area (NIA) excludes stairwells, lift and plant areas, toilets, internal structural walls and areas with headroom below 1.5 m. Gross Internal Area (GIA) is measured to the internal face of the perimeter walls at each floor level. Conversions use 1 m² = 10.7639 sq ft; totals are summed in m² and then converted.

Note to client. The NIA recorded here (177.6 m² / 1,912 sq ft) is lower than the 185 m² / 1,990 sq ft quoted in current marketing particulars. The difference arises mainly on the second floor, where we exclude the eaves zone with headroom below 1.5 m and the plant cupboard.

Parking. Six (6) marked parking bays within the rear courtyard demised with the building, as shown on drawing HR/26/0917/03.

Site plan: rear courtyard parking (drawing HR/26/0917/03, not to scale)
